ATTORNEY GENERAL

THE COMMONWEALTH OF MASSACHUSETTS  
DEPARTMENT OF THE ATTORNEY GENERAL  
STATE HOUSE, BOSTON

P1116/6

12/2/60

Just a note to express my appreciation for your participation in the past campaign.

The efforts of many good friends like yourself resulted not only in my re-election, but my doing so by more total votes and a larger plurality than any Attorney General in the history of Massachusetts politics.

Despite the magnificence of the victory and the plurality, which you helped to bring about, I find great difficulty in appropriately expressing my gratitude.

I am convinced that the most eloquent phrase is a simple "Thank you." This I offer to you from the bottom of my heart.

For your sacrifices, support, good will and continued friendship I am

Gratefully yours  
Ed. McCormack

Dear Mr. Doherty:

This will acknowledge receipt of your telegram relative to speeches made on the Floor of the Congress during the consideration of the resolution concerning the Republic of Ireland.

It is my recollection that this occurred in the House of Representatives, and it would therefore be my suggestion that you write to the Honorable Thomas E. Morgan, Chairman of the Committee on Foreign Affairs, or to the Honorable John E. Fogarty, U.S. House of Representatives, who would be able to secure for you much more quickly than I the material which you have requested.

Unfortunately, I have no copies of the Record left of that period, and therefore much to my sorrow, I am unable to comply with your request.

Must close now, but with best personal wishes, I am

Sincerely yours,

Mike Mansfield

Dear Mr. Doherty:

Thank you for your wire.

While you accuse me of distorting the facts, you did not say that facts you thought were distorted, and so I am not able to respond.

What I said was that Medicare had been in Congress for 12 years and never passed because the opposition was so strong, and then tried to explain why so many members are opposed to it -- because they think it would be the beginning of a true welfare state. I offered no opinion then, and offer none now, on whether they are right or wrong.

But numerous people have written to me to say they could not understand why Congress had not passed it, and I was trying to give the answer. And the facts as stated were accurate.

Sincerely,

*David Brinkley*
